Plaintiff

v.

CASE NO.

1:16-cv-19-LRR

Bitcoin,  
Satoshi Nakamoto,  
Martti Malmi,  
Defendants

Emergency Motion For Preliminary Injunction  
Temporary Restraining Order  
TRO

Comes now, Jonathan Lee Riches, pro-se, Facing  
Imminent danger and Bodily harm From Bitcoin, I  
Seek a restraining order Against Bitcoin, and a Restraining  
order to stop Bitcoin from circulating as currency because  
it's going to crash soon and many Americans, worldwide citizens,  
And Residents of Iowa will lose their lifesavings. Bitcoin  
is going to destroy Humanity. Bitcoin is a complete scam,  
Another diversion smoke and mirrors set up as a Alternative  
to the Fiat money Fraud Federal reserve Bank corporation  
Run by evil Jewish Bankers as we know Federal reserve notes  
are backed by nothing of substance, so Bitcoin is another  
layer of the onion- where people Accept it as another  
currency- but just like the Federal reserve - Bitcoin is  
a Fraud - OUR Nation must go BACK to the Gold Standard.  
Satoshi Nakamoto & Martti Malmi were paid by  
the IRS to create Bitcoin, both sons,

I observed both dancing at Bohannon Grove. The sheeple are following the trends. New World order and Illuminati crooks have secretly paid Alternative media Hosts and mainstream conspiracy theorists like Alex Jones, Coast to coast, Mark Dice to support Bitcoin to keep Americans minds Diverted off House Joint Resolution 192 HJR-192 June 5th, 1933 when the United States became a corporation and all U.S. citizens are now De facto Strawman using all CAPS in their names (JONATHAN LEE RICHES) on Birth certificates, SSN cards, titles where we should be flesh & blood common law instead, and instead all title 18 of the U.S. criminal code is statute law putting us in a contract - our money now including Bitcoin is backed by nothing of substance and people are flocking to Bitcoin - not doing the research on it - And when Bitcoin crashes - the world will be unsafe - complete Anarchy - I Feel unsafe. I get Nightmares of Bitcoin - Bitcoin isn't even a coin - its paperless - so the Bitcoin concept is False Advertising. I seek a restraining order Against Bitcoin. I am a whistleblower. We must go back to gold. God Bless America

Respectfully
